

## Current Team Page

Bleed Green Celtics Fanpage  
same link bar as before

- List of current players  
which when clicked shows  
player headshot & stats

player pic

- if too complicated just have  
table with players & stats

- points per game  
- assists per game  
- rebounds per game  
- shooting percentages etc

Team Breakdown:

Record: team record

Paragraph describing team's performance so far this year
